

Company 77 loves to work with Schools!

Fire truck 77's Mobile Pizza Unit offers a fun-filled, unique, and delicious way to raise money for your school.

www.company77.com

When you book our REALLY big red fire truck for any occasion, we provide:

A great focal point for your event!

A delicious assortment of the best thin crust pizza you've ever had. (vegetarian, vegan and gluten / dairy free pizza available as well!)

Courteous and fun staff that serve up meals with smiles and good cheer.

Kids (and kids at heart) love the truck's cool features - awesome sound system, digital photobooth, kids control center, "fire truck cannon," and even a water cam!

We give schools a minimum of 10% of the overall sales of the event back to their PTA/PTO or Foundation to be used for school programs.

School donations run from \$250 - \$750 depending on event size.

We can also be booked by school organizations for independent fund raisers such as booster clubs or class trips.

Contact us at info@company77.com to make your next fundraiser an unforgettable event.

We promise to get right back to you
